

Product Change Notice MK17 Change of Marking

Dear Customer,

Hereby we would like to inform you about the change of our product MK17. This product change will be implemented from January 2024. The change does **NOT** effect the performance of the sensor and is to update the part marking of the sensor. We will continue selling stock of the previous revision until the stock is exhausted.

Standex Reed Sensor Series – MK17.

Items affected:

MK17-“X“-1

MK17-“X“-2

MK17-“X“-3

Incl. the Bulk versions.

Why:

Marking change for better recognizing the product series MK17 and to be UL compliant.

Support:
