Note: Due to the label change, there is a slight shape change on both sides of the product case (no change in external dimensions and specifications).

There is no other specification change.

3. Schedule

Starting December 2023 (or sooner depending on our stock situation)

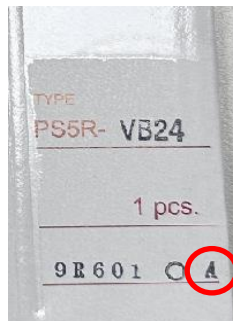

Note: Current and new products may be mixed in the same shipment.

4. Part number and prices

No change

5. Identification

Modified products will have an identification letter "A" on their product cases.

This identification letter will be used with modified products made until June 2024.
