

## Announcement

August 2023

### Specification change: RU series universal relays

IDEC would like to inform you of a specification change regarding some of our RU series universal relays. Details are as follows:

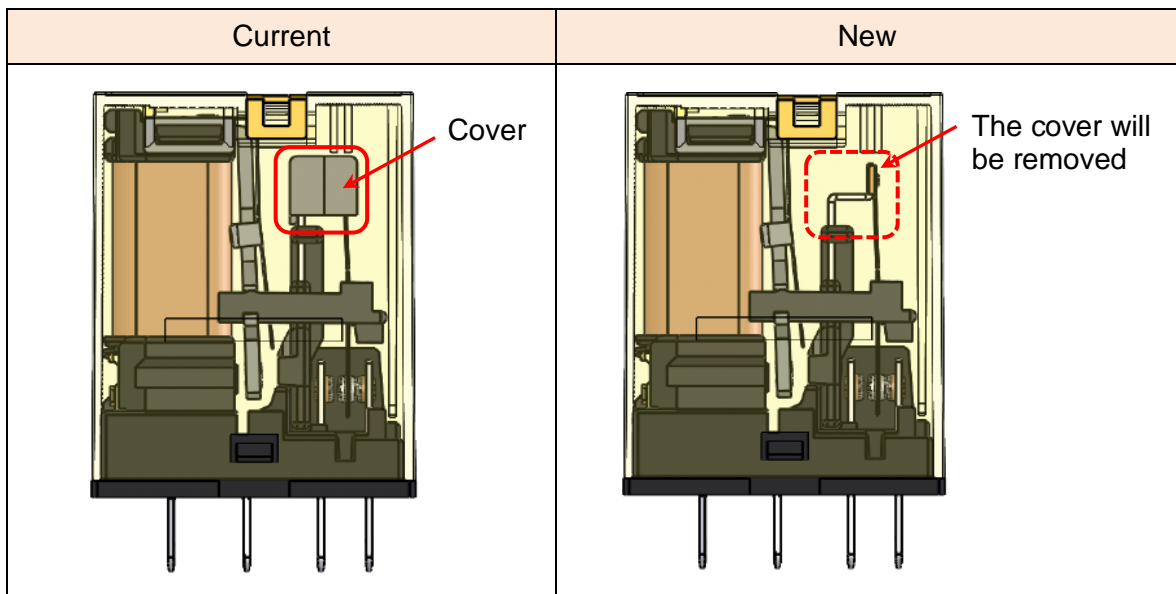

#### 1. Subject models

RU2 series universal relays except for RU2V-NF-\*: All products (incl. special products)

#### 2. Modification details

The contact cover inside the relay will be removed as below.

Note: There is no other specification change.

#### 3. Schedule

Starting February 2024 (or sooner depending on our stock situation)

Note: Current and new products may be mixed in the same shipment.

#### 4. Part number and prices

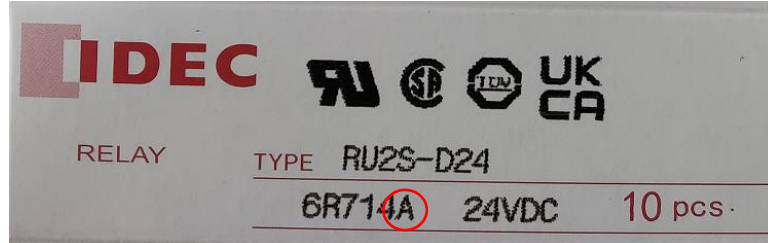

No change

## *Announcement*

### 5. Identification

Modified products will have an identification letter "A" displayed at the end of the lot number on their product case and product.

This identification letter will be used with modified products made until August 2024.
