

18-Jan-2024

PCN #: P-24-025628

Subject : BOOT 4 POS HSG

Description of Change : This PCN is applied only for customer that buy components from TE Connectivity Brazil.

TE Brazil are building a new mold tooling to replace the current tool.

Reason : Document clarification. Dear Customer, as result of our continuous strive for improving our processes, we hereby inform you about a tooling replacement. The new source is executed by following a strict procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products.

Please after receiving this notification, PPAP and samples must be requested by ePPAP System in 10 days, in case you do not request in ePPAP, TE will understand that this change was accepted
