

## Announcement

August 2023

### Change of production site: SJ series relay sockets

IDEC would like to inform you that we will change the production site for some of our SJ series relay sockets from Taiwan to Thailand. Details are as follows:

#### 1. Subject models

The following SJ series relay sockets (incl. special products):

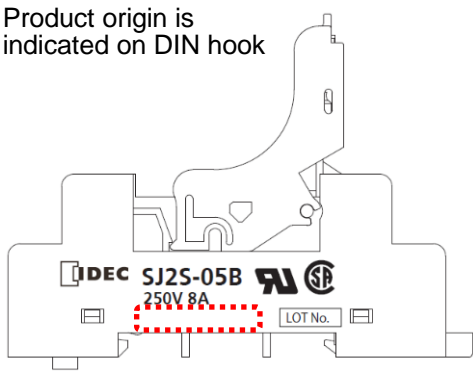

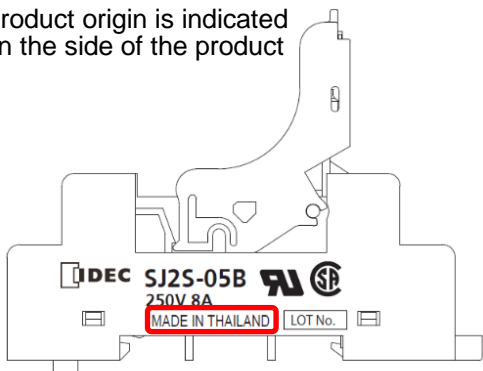

Model	Part number
SJ2S	SJ2S-05B
	SJ2S-05BW
	SJ2S-07L
	SJ2S-07LW

#### 2. Details

The production site will be changed from Taiwan to Thailand.

Accordingly, product origin indicated on the product and product case of the SJ2S will be changed as follows.

Example of SJ2S-05B
