Product Change Notification

Title: **PCN #2023007 TDK-Lambda Americas Inc. Addition of BIS certification and label**

Please be informed that TDK-Lambda's DRB15-24-1, DRB30-24-1, DRB50-24-1, DRB100-24-1, DRB120-24-1 and DRB240-24-1 models have received BIS (Bureau of Indian Standards) certification to IS 13252(Part 1):2010/ IEC 60950-1 : 2005.

The 24V DRB15-240 models will have the BIS logo label attached to the side panel as shown below.

There is no change to product price, form, fit, or function and our other current standard safety certifications are not impacted.

For any other questions concerning this notification, contact your local sales office or TDK-Lambda Americas Inc. customer service.

Tom Tillman
Director of Marketing
